Dedication

of the Class of 1958

Sociologist, teacher, linguist and world traveler, Dr. Anders Mattson Myhrman portrays the essential spirit of education and culture today.

A native of Purmo, Finland, Dr. Myhrman received his A.B. degree at the University of Minnesota where he majored in Swedish and German literature. Later he acquired his M.A. in international economics at the University of Pennsylvania and his Ph.D. at the University of Chicago, writing on the field of nationalism.

After two years of secondary school teaching, Dr. Myhrman joined the faculty at Bates as an assistant professor in the Department of Economics and Sociology in 1925. He served as the guest lecturer at Abo Akadimi in Finland and as a visiting Professor of Sociology at the University of Hawaii while on sabbatical in 1950. In that year he was also appointed chairman of the Division of Social Sciences at Bates.

An active participant in civic activities, Dr. Myhrman was a member of Governor Hildreth's Committee on Delinquency and he served two terms as president of the Maine State Conference of Social Welfare (Maine Welfare Association). His other interests include the Lewiston-Auburn Community Chest, the Lewiston-Auburn Social Workers Club and the Rotary Club.

His sociological writing and his participation in college and community endeavors have not distracted him from the field of teaching and student relations. Many times we have been graciously received into his home and have been the recipients of his guidance and concern. We are proud to have been associated with Dr. Myhrman during our years at Bates.

A Special Tribute

The class of 1958 wishes to extend to Dean Harry Willison Rowe '12 a fond good-bye as he completes over forty years of outstanding service to Bates. Dean Rowe's activities have been many and varied: Alumni Secretary, Bursar, Assistant to the President, and Dean of the Faculty.

Though he has capably performed these duties, we, as students, will most vividly recall his chapel chats and Uncle Johnny Stanton stories. Mount Appetite and the Stanton Ride will not be the same without him.

For your friendly interest in us and in our college we would like to say thank you, Dean Rowe.

Ivy Day Ode

Forgotten, the gloom of earth asleep is past
And this is the hour that winter could not know.
Here in an instant is the mystery writ
Which edges out all moments but this one.
Just as we pause, it comes upon us now
There really is no pause. Illusion's veil
Beguiles us, that we'll hope to stagger Time
And wheedle him to horde us this one hour.
As we arrive to plant tradition's vines
Arrayed in tradition's garb, for the first time comes
An apprehension that this must pass away.
(Of great dominions now we feel you, Time!)
These gathered faces fire the memory
Of days on fleeting days of strength'ning bonds
Among us, we that fate had chanced to join,
Becoming, in the way of brothers, one.
How foolish, wistfulness of thoughtless hearts
Which fain would cling here, ivy-like, forever;
For ours is not to linger in life's shade
By friendly walls—but to struggle in the sun!
One year we've left, here with this ivy's home;
One year which, like the rest, must quickly fly.
And then, though we'll return, a strange decree
Declares we'll never really pass this way again.
What is this tyrant, strange dimension, Time
Which scatters old friends forth like wind the chaff
Unheeding soft-formed sentiments which, born
About these green-lined pathways, subtly thrived?
Answer rebounds: a stern-voiced, mystery-sire,
Who, knowing suff'ring's methods, thrusts his sons
Forth, like an old, wise parent, from the shade
Of these friendly walls—for their struggle in the sun.

Football

For the second straight grid season, the Bates College Bobcats presented the College and Coach Bob Hatch with a winning season and had their hands in for a share of the Governor Lewis O. Barrows Trophy, emblematic of the Maine State Series diadem.

The 1956 State Champs were forced by a fired-up Colby team to settle for a one-third share of the title this year, when they were tripped up by the Mules, 20 to 19, in a thrill-packed finale at Waterville. This game closed out one of the closest series in recent years. Each game, with the exception of Bowdoin's 40 to 0 trouncing by Maine, was decided by a margin of one touchdown or less.

Over all, it proved to be an up-and-down season for the Garnet, which compiled a final four and three record.

By downing the Norwich Cadets by a 21 to 14 score in the season's opener, the co-champs overcame a pair of jinxes which had plagued them. The victory marked the first time that the Garnet had taken an opening game in nine years, and at the same time they defeated Norwich for the first time since their initial meeting four years ago.

A crowd of one thousand, reveling in perfect football weather, saw Co-Captain John Liljestrand recover a Cadet fumble on the visitor's 24-yard line. Six plays later, with only four minutes left to play, halfback John Makowsky, a standout all afternoon, crashed over from the three to break the deadlock.

In the Bobcats' second outing, the Garcelon Field scoreboard registered a Jumbo touchdown almost every five minutes throughout the earlier portions of the game, as a highly-polished and extremely powerful Tufts University eleven ran up a sizeable lead in the first three periods and trounced the injury-riddled Bobcats, 40 - 6.

The Garnet saw their usually dependable defense crumble in the second half as the Engineers from Worcester Tech passed their way to 23 - 13 victory.

Speedy halfback Makowsky provided the thrill of the day for Bates when he took a third period kickoff and galloped 99 yards to paydirt.

Halfback Mal Block threw a short screen pass to Co-Captain Wayne Kane who dashed into the end zone behind a wall of blockers, giving the Garnet a 13 to 7 win over favored Middlebury College. The key play came with less than six minutes left in the game, in which the Bobcats trailed 7 to 6. Fullback Kane then successfully rushed the extra point.

A last minute defensive stand proved to be the big factor in the win, however, when the visitors stopped the Panthers deep in Bobcat territory. The key play came on a fourth down, when Jim Wylie, an outstanding defensive end all season dropped the Middlebury tailback for a 15-yard loss. Bates then took over and ate up the remaining few minutes on ground rushes.

The Bobcat eleven, 12-point underdogs going into the State Series opener, made it two in a row over the Black Bears from the University of Maine on the strength of Makowsky's 23-yard skirt of left end with less than two minutes left in the final stanza which sent the homecoming fans home happy with a 7 - 0 victory. The 1932 Bobcat eleven, "that was tied by Yale" was among the throng that saw Bates make a successful start in defense of its state football championship.

The following Saturday afternoon saw the hard-charging Bobcats continue their chase of a second consecutive state flag with a tight 6 - 0 victory over the always upset-minded Bowdoin Polar Bears on a rain-soaked Whittier Field in Brunswick. The win assured them of at least a tie for the Series Championship.

It wasn't until the fourth period that the game was decided, when fullback Bob Muello fell on a Bowdoin fumble in the end zone for the game's only score.

The fine work of the defensive unit was readily evident, since they held the Polar Bears to a meager total of five yards gained all afternoon.

Frustration was the word of the day when Colby's fired-up Mules forced a three-way tie for the States Series football title in Waterville with a 20 - 19 defeat of the previous champions.

Colby's victory, coupled with Maine's overpowering defeat of Bowdoin, gave the Mules, Bates, and Maine a leg each of the Barrows Trophy and the Series Championship.

Colby scored first with effortless ease but the Bobcats came back to score the first two times they had the ball. Then the Mules dominated the second half so completely that Bates could net only 38 yards.

The inspired Colby defensive unit appeared to have Bobcat offensive moves fairly well pegged so that the Garnet could not get sufficient offensive thrusts underway, and what started out to be a perfectly great afternoon was turned into a bitter disappointment, as the champs were forced to settle for a third of the championship.

Following the season, Maine sports writers announced their selections for the All-Maine team with the Garnet placing three men among those named. Co-captain John Liljestrand repeated as tackle, with Makowsky in the backfield and sophomore Jim Wylie selected as an end.

Front row, (left to right): P. Candelmo; N. Hohenthal; J. DeMartine; W. Callender, capt.; A. Pfeiffer; J. Murphy; G. Field. Back row: R.Castelpoggi, manager; R. Deacon; J. O'Grady; R. Burke; D. Smith; J. Whitten; J. DeGange; Coach V. Ullom.

Basketball

For the first time since 1953, the Bobcat varsity basketball team registered a winning season. At the end of the 1957-58 campaign, the hoopsters boasted an 11 - 7 mark.

Playing with only one senior, Captain Will Callender, the Garnet showed themselves to be working more as a unit than ever before and surprised a good number of followers who expected just another so-so season. In the ever-present State Series, perennial champion Colby was walked to the end of the string before they were able to pull out their eighth consecutive title. The Mules went into their final game tied with the Garnet all even in the Series and played one of their better games in pulling out a second half win.

The season's opener was in Waterville against a Colby team which had been predicted as one of the best in recent years. However, Coach Verne Ullom's charges promptly tripped them in overtime, 83 - 77, with Junior Bob Burke's 26 points, along with Callender's 25 leading the way.

Continuing in the State Series the 'Cats ran away from Maine, 82 - 66, with Burke again contributing the outstanding effort with 32 points.

Closing out at home before Christmas, it was three in a row as Burke again was red hot, tossing home 40 big markers to lead in a 91 - 83 triumph over New Hampshire. Four of the Bobcats hit double figures as the winners were never halted.

The night before vacation began proved to be something of a nightmare as Bowdoin brought the win streak to an abrupt halt, 58 - 57, in a game which saw the Polar Bears freeze the ball throughout.

Returning from the Christmas layoff, Colby established sweet revenge for the earlier defeat by knocking off the 'Cats by another 58 - 57 score. With the defense concentrating on Burke, the talented Junior was held to a respectable 17 points, while Callender was high man with 19.

It was back to winning ways at Maine as the Garnet edged out a 61 - 57 decision. Callender led the way with 17 as once more good balance had four Bobcats in double figures.

Going against some out of state talent, Middlebury next fell before the scrappy Bobcats in the closing minutes to the tune of 72 - 66.

Then affairs were evened up with Bowdoin as Bates built up a commanding 41 - 22 halftime lead that withstood a good pressing defense the rest of the way and led to a 76 - 68 win with Burke and Callender once more leading the attack with 21 and 19 points.

Closing out for the semester break, Brandeis, one of the East's best small college quintets, had their hands full until fouls allowed them to pull away to an 84 - 71 win. Burke garnered 21 markers.

Following the semester break, the Garnet made its annual trip to the Boston area, handling Tufts, 83 - 77, and Northeastern, 65 - 56. Burke and Callender with 20 each and Jim DeMartine with 18 pushed the way over Tufts, and Callender's 13 was high against the Huskies. The lone defeat of the journey was at the hands of Clark in Worcester in an upset, 60 - 49 tilt as the Bobcats couldn't hit and Burke and Gerry Feld were high with 10 apiece.

Returning home Burke led the second half rout of Suffolk, 83 - 59, and the next night the Garnet quintet regained its old top form in staying with Boston University right down to the wire, finally dropping a 56 - 49 decision. Captain-elect Jack O'Grady and DeMartine led the attack with 14 each. Both B.U. and Brandeis stated after their respective games that they had to extend themselves to their season's best performances in order to drop the clinging Bobcats.

Moving into the last round of Series play, the Garnet ran into a late-coming Maine squad that was finally finding itself and they played right away from the 'Cats, as the losers could do nothing against a tough Maine zone defense, dropping this one, 61 - 55.

Playing their last out-of-state foe, MIT gave the Garnet a scare before succumbing, 70 - 65. After wasting an early lead, the Bates quintet managed to pull it out in the closing minutes, with Burke again showing the way with 21 markers.

As Maine was drubbing Colby, the Bobcats won a game on the Bowdoin court for the first time since anyone can remember, and pulled even with the Mules going into the last game. The Polar Bears were humbled, 80 - 59, with DeMartine turning his best effort of the season, pumping in 21 big points.

Playing for the title at Waterville, Colby couldn't foul and Bates couldn't stop fouling, and so the Mules took the crown 73 - 65, as both teams were neck-and-neck for three quarters. Burke was high with 21.

The overall statistics found Burke with 324 points overall and 156 in the Series leading the team with an 18.0 average, followed by Callender with 13.2 mark. Feld, with 225, and DeMartine, with 172 were both tremendous off the backboards. Playmaker O'Grady was fifth with 95 tallies and was the key to keeping the offense moving.

The announcement of the All-Maine selectees found Burke a unanimous choice for one of the forward slots.

Winter Track

The winter track season saw the Bates Track Squad go undefeated for the first time in an indoor season. By continuing the precedent begun last year, this extended their string of victories to fifteen meets over twenty opponents.

The Garnet thinclads opened the season against New Hampshire with an 81 - 45 victory, then they traveled to Northeastern where the totals again favored the Bobcats 68 - 45. After a break for finals, the Black Bears from the University of Maine invaded the Gray Athletic Building for the big meet of the winter. When the points were added up the Bobcats had again demonstrated their best with a 75 - 47 win. The Bowdoin meet proved the closest one of the five, with the margin of victory only 10 points, 66 - 56. The season closed with the engineers from Massachusetts Institute of Technology, and the Slovenskimen had an easy 90 - 22 win.

This year's squad did much more than merely win five meets. Without a doubt the sensation of the year was Rudy Smith '60 who seemed to break a record practically every week. Other standouts include John Douglas '60, Jim Wheeler '58, John Fresina '58, Bill Neuguth '58, and Pete Gartner '59.

For the second year in a row Smith left nearly all his opponents behind as he streaked to victory. He bettered his own cage record in the 600 yd. run by a second and a half as he ran the course in 1:12.3. In the 40 yd. dash he tied the cage record at 4.6 seconds, and in the 1000 yd. run he set the record in 2:17.5. At Bowdoin, Rudy established a new meet and cage mark in the 600, with a time of 1:11.4. His activities gained national recognition when he established a meet record in the Farrell 500 yd. run at the K. of C. Meet in Boston Garden in 57.4 seconds. At the B.A.A. Games the following week he placed fourth in the Hollis 600 yard run. Then at New York in the I.C.A.A.A.A. Meet the speedy sophomore placed second in the 600. Then in March, at the K. of C. Meet in Madison Square Garden, Smith ran the fastest 600 run this year with a time of 1:10.6.

Another Sophomore came into the national track picture too. John Douglas at the B. A. A. Games placed first in the broad jump with a 24 ft. jump. At the I.C.A.A.A.A. Meet he placed second with a leap of 24 ft. 5 in. At home he also proved his worth when he jumped 23 ft. 5½ in. against Maine for a new cage record. Since Smith and Douglas have two years to go even greater things can be expected.

The other members of the squad continued to show improvement. Co-captains Fresina, Wheeler, and Neuguth showed top form throughout the season. Fresina, top weight man, threw the thirty-five pound ball consistently over 50 ft., winning all but one contest during the season. Wheeler boosted his distance in the shot to 48 ft. 8 in., while Neuguth kept his winning ways in the hurdles. Several freshmen have also earned their place on the varsity squad: Riviezzo, Keenan, Goodall, and Kenyon. In the pole vault Dave Erdman '59, cleared 12 ft. giving Bates a 12 ft. vaulter for the first time in several seasons. Senior Maynard Whitehouse and junior Dick Dube did well in the two mile, while Fred Turner, '60 represented the thinclads in the mile run.

With an undefeated season behind, along with some fine performances in several national meets, the team and Coach Slovenski look forward to more of the same.

Spring Track

After winning five consecutive meets during the winter, the Bobcat Trackmen had only one goal in mind, and that was the state championship. Bates had not won the State Meet since 1912 and this was their only victory in the contest. Each meet during the spring became warm-up for the big one.

The season opened in late April when the Bobcat thinclads were host to Union College. The Garnet from Lewiston made it six victories with a score of 70 - 61. The following week Northeastern and Brandeis journeyed to Garcelon Field and again the invaders suffered rough handling at the hands of their host. The statistics showed 77½ for Bates, 69 for Northeastern, and 18½ for Brandeis. The annual quadrangular meet between Bates-Colby-University of Vermont-Middlebury was held at Colby and the Garnet again came first in the scoring: Bates 84, Vermont 41, Middebury 23½, and Colby 16½.

May 11 was the long awaited day when the State Meet was held at Bates. The weather was perfect and track conditions good. The anticipation proved a good omen for the Garnet, for the final score stood Bates 54, Maine 43, Bowdoin 30, Colby 8. Thus Bates became the State Track Champions for the first time in forty-five years. The Garnet cinder men took five first places with Jim Wheeler '58 and Rudy Smith '60 taking two apiece. Other winners were Bill Neuguth '58 and John Fresina '58. Smith received the Hillman Trophy as the most outstanding performer of the day. He won the 220 yd. dash, the Thompson 440 yd. Run, and placed third in the 100 yd. dash. Smith established a meet record in the Thompson 440 with a winning time of 48.9 seconds.

The final meet was against Bowdoin and the Slovenskimen practically repeated their winter performance with a score of 78 - 57.

The big news remained the victory on Garcelon Field and it went down in Bates athletic history with a bright star beside it.

Again this spring the Bobcat cinder men are hoping for a repeat performance of last spring. The majority of the meets will be away with the State Meet at Brunswick. The spotlight again will focus on the quadrangular contest as the Slovenskimen try to make history with two championships in as many years. Another addition to the spring schedule is the Eastern Intercollegiate Meet at Worcester in which several of the smaller New England schools will participate. Hopes are high for the coming weeks and, whatever the outcome, there will be sufficient action for all.

Baseball

On the diamond, the Bobcat Pastimers had their troubles by being able to compile only a mediocre record of six wins and twelve losses, good enough for a third spot in the State Series.

This final slate does not, however, paint an absolutely true picture of the actual caliber of the squad. Besides improving upon the previous season's record, the Garnet proved to be a club with booming bats and hit well against just about any pitcher they faced.

But the Cats lacked depth in its own pitching department, having to rely upon one veteran, Dave Colby, and three freshmen chuckers, Bob Graves, Gerry Feld, and Jon Whitten, who possess great potential but were plagued by a lack of experience and a steady defense behind them.

Failure to overcome a five-game losing streak during the middle of the season hurt the Garnet's chances for a winning season on the diamond. After taking one of four games on their southern trip to Maryland and the New York area, the charges of Coach Leahey downed Maine and the Quonset Naval Air Station before losing twice to Colby and going down before Boston University, Brandeis, and Northeastern.

Despite this fact, the pastimers played some pretty good ball and proved themselves able to come from behind in many ballgames. This fact was also shown by their clean sweep of three straight from Maine which had beaten both Champion Colby and Bowdoin. Two of the Cats losses to Colby were by the identical scores of 11 to 9. One loss at the hands of the Polar Bears was the result of a wide open 14 - 13 tilt which went eleven innings.

The best performance of the season was Dave Colby's two-hit, 7 - 0 victory over Clark.

In the post-season honors department, the Garnet placed three men on the All-Maine Baseball team. Sophomore Norm Clarke repeated as an infielder, while Captain-elect Al DeSantis was selected as an all-state outfielder, and Bob Martin, the state's batting champion at .462, was a utility selection.

(Left to right): C. Schmutz; J. Prothero; Peterson; R. Deacon; R. Golden; P. Jodaitis; E. Stiles; R. Williams; Coach Hatch.

Golf

The spring of 1957 saw the Bobcat linkmen tackle the leading New England collegiate golf teams. Led by Captain Charlie Schmutz and veterans Ross Deacon, Roy Golden, Dick Glass, and Tom Hawkins, plus newcomer Pete Jodaitis, the Garnet attempted to put on a good showing despite limited material and the unpredictable spring weather.

The final record of two wins and ten losses does not give a true indication of the quality of golf played by the Bobcats. Despite excellent opposition the garnet made most matches close ones. State series foes, Bowdoin, Colby and Maine provided the toughest competition.

The outlook for the spring of 1958 is highly optimistic. A core of seasoned golfers are returning plus two promising freshmen. The captain of the 1958 golfers is senior Pete Jodaitis and aiding him in what looks like a good year will be Ross Deacon, Roy Golden, Tom Hawkins, Dick Lubets, Dick Glass, Bob Zering and Mal Johnson.

Again the state series foes will provide the toughest competition. Bates is seeking to unseat state champion Colby and to place high in the individual state tournament in May.

Tennis

The Bates tennis team wound up with a 6 - 7 record for the spring of 1957 and played a draw with state series opponents 3 - 3, winding up in third place.

This year the netmen are looking for a possible state championship, boasting a solid veteran team, while defending champion Bowdoin and runner-up Colby have been weakened by graduation. Providing the winning punch will be Captain Pete Meilen and veterans Phil Feinsot, Craig Parker and Dave Graham. Jeff Mines will be counted on also.

Aided by two resurfaced clay courts, providing a hard composition to play on, the Garnet will be able to get outside earlier. This will be a tremendous advantage over the opposition for in previous years the team has been unable to move outdoors more than once or twice before the season's opening game.

This spring the team opens with Brandeis at home and then travels to Boston to play Babson, Tufts, and Clark. State series play will carry the Bobcats through May when they will go after the state championship.

With Captain Meilan boasting a 11 - 2 singles record for 1957 and three years of varsity experience, plus the veteran nucleus of returning players, the Garnet netmen look forward to a successful season under Coach Lloyd Lux in 1958.

Women's Athletics

The Women's Athletic Association at Bates provides a balanced program of sports and special events for the women. This year the program included four major seasons which were designed to appeal to varying interests.

The fall season opened with interdorm field hockey and individual competition in archery. The early winter season consisted of interdorm competition in volleyball. The winner of the volleyball trophy was the New Dormitory.

Basketball started after Christmas vacation with the usual enthusiasm. This season continued until after spring vacation and ended with play-off games between the high-standing dormitories. The All-Star game was the final highlight of the season.

One of the special events, a trip to Colby for an ice-skating playday, was very successful. Those participating in the ski trip to Jackson, New Hampshire, in February, were pleased with the good skiing conditions. Health Week ended with a Freshman Fashion Show and Beverly Husson was chosen as Betty Bates of 1958 - 59.

The spring season began with interclass softball and included such individual sports, as: hiking, biking, and tennis. The Swim Show under the direction of Mary Ann Houston and Helene Marcoux featured an artistic motif as its theme.
